

ELM FORK SHOOTING SPORTS

Corporate Packages

Your guests will arrive and be greeted by Jeanie Almond, General Manager and Director of Education, and welcomed into our clubhouse.

Classroom time includes:

- Introduction to our facility
- Introduction to Sporting Clay's Shooting
- Firearm Safety
- Shotgun Pointing techniques
- The group is then organized into teams of 4 (or squads).

The fun begins as we go outside to start shooting. Each participant in the group has the opportunity to work with an instructor individually. Each squad will depart by golf cart to our Sporting Clay Course accompanied by our staff.

The squads travel from station to station by golf cart, similar to playing golf. As each squad finishes at their shooting post, they load up on the golf carts and drive to the next sporting clay peg.

At the conclusion of the course, all squads return to the clubhouse area and as a group we have a finishing event called a "Flush". The whole group ends up together and participates in the last event with cheering, friendly competition and lots of target "busting". Snacks and non-alcoholic beverages are served in our clubhouse before the group departs the facility.

Our packages include everything your guests will need to participate and enjoy their shooting experience here at ELM FORK SHOOTING SPORTS.
